Dear Sir / Madam,

My mother Mrs. Kala, had a surgery in your hospital on 8th Oct. 12. We just thought to give you the feedback of your hospitality. The staffs are so kind with the patients, including my mother. Particularly the doctors who treated my mother, the duty nurses and the staffs in the counters. In particular, I must give comments about the house keeping persons too. Overall we are fully satisfied with the service of The Hindu Mission Hospital.

Thanks & Regards

I. Chandia
