The Secretary
Hindu Mission Hospital
103, GST Rd, Tambaram West
Chennai-45.

Respected Sir,

My son Venkatraman N blind patient - aged 37 was undergoing dialysis treatment weekly twice for more than 9 months in your Hospital. He passed away on 24.10.2009 due to Cardiac attack.

We reside at Hyderabad and knowing your noble service we brought our son for treatment at your Hospital. I thank you for all the help extended to my family during his treatment. Dialysis which is a costlier treatment and above the reach of middle class people was offered to my son at a lowest rate of 200 Rs per sitting.

All my family members thank you and the dedicated staff of Hindu Mission Hospital who are kind hearted, patient hearing and sincere without taking any consideration.

We were touched by your concern for arranging his obsequies and sharing our sorrow in coordination with Gayatri Trust.

We pray Almighty to give you good health to carry out this noble service to the poor community.

Thanking you,

With regards
Yours sincerely
